

Project WET Facilitator Workshop

project WET
WATER EDUCATION TODAY

When: June 8 and 9, 2022

Where: Punderson Manor and Conference Center
11755 Kinsman Road Newbury, Ohio 44065
[Map](#)

Registration Procedure:

Fee: \$140.00 which includes workshop materials, curriculum, snacks, and 1-night shared lodging. No early workshop departures or refunds after registration is received. Fee options available for commuting (\$90) and having a single room (\$185) are also available on registration site.

Deadline to Register: June 1, 2022
Register online [HERE](#)

Participants Will Receive:

*Certification as a Project WET/HWHP State-wide Facilitator along with networking with other state-wide EE professionals and educators.

*Copies of the educator guides for WET, HWHP, Getting Little Feet WET, and Climate, Water and Resilience. One semester graduate credit from Ashland University is pending for an additional cost.

*Valuable training in the use of activities & materials showing participants how to get children/adults outside experiencing their natural world. Stream monitoring and facilitation of activities outside weather permitting.
