

Looking For Friends!

Come Be Part of the Launch of the Friends of Brown's Lake Bog Nature Preserve

**Tuesday, April 17 – 6:30pm to 8:00pm
Shreve Public Library
189 West McConkey Street
Shreve, OH 44676**

A Friends of Brown's Lake Bog group is forming and all are welcome!

Come meet like-minded people who are interested in and care about Brown's Lake Bog Nature Preserve. Be part of a discussion around the formation of a volunteer "friends group" to support The Nature Conservancy's efforts to steward this unique natural treasure. A friends group provides a mechanism for passionate citizens to volunteer their time, interest, experience and expertise and help define and advance common goals. Whether you enjoy rolling up your sleeves or prefer to stay indoors, there are plenty of opportunities to participate and lend your support!

Brown's Lake Bog is a 99-acre preserve located on Brown Road in Shreve, Wayne County, Ohio and owned and managed by The Nature Conservancy. It is designated as a National Natural Landmark and State Nature Preserve and home to many rare and unusual plants and animals. The preserve is open the public year-round from dawn to dusk and has approximately one mile of boardwalk and earthen trails.
