

# Free and Open to the Public

## How Glaciers Shaped Ashtabula County

**When:** August 23, 7pm-8pm

**Presenter:** Dr. James K. Bissell

Curator of Botany and Director of Natural Areas,  
Cleveland Museum of Natural History

Have you ever wondered why the rivers in Ashtabula County flow the way they do? The answer involves a glacier!

Join us as Dr. Bissell describes the impact of glaciers on Ashtabula County's landscape.

**Refreshments following. All ages welcome**
